Heidi Klum on raising a blended family: 'It's never easy'

The 49-year-old supermodel talked to TODAY about how she handles the stress of raising three teens and one tween between two households.

Heidi Klum is making it work.

The 49-year-old supermodel is in the latest season of "America's Got Talent" on the fashion show "Making the Cut" on Friday, Aug. 19.

But not only is her career keeping her busy, her home life is too: Klum is mom to three teens and one tween: Leni,

"I mean, I've dragged them to so many sets already, and unless there is someone on the set that they really care about," she explained.

"For example, I'm doing 'America's Got Talent' right now, we have Freckled Zelda on. She's a fairy that comes out of the woods."

"I had never heard of Freckled Zelda before, but my youngest daughter who is 12 is obsessed," Klum explained. "So she's like, 'I have to come to "AGT" next Tuesday,' and I had whiplash. I'm like, 'You do?'"
